Head of School Notes

Dear Student and Parents,

The raining season seems to have arrived. Wow, what a wet weekend this was! I hope everyone enjoyed the spectacle. I have never seen our school grounds flooded like this before, and our ground staff has been going around campus to determine if there was any damage.

I wanted to say a quick thank those families who took the time to complete the recent survey. I also want to encourage those of you who have not already done so to please take this opportunity to provide us with feedback on how we can improve the virtual learning experience for your family.

As you all know, the Daily Bulletin aims to provide you with information and inspiration to stay active beyond the classwork our teachers are sending. This week, we will focus on creating Art. Mrs. Wild has done a lovely job in putting together a series of art activities that you can easily do at home. Let's get creative!

Yours Sincerely,

Dr. James W. Pilton

ISZ ART WEEK

Outline:

Hello ISZ community! Today marks the first day of art week where we will be sharing some daily art activities that hopefully will enrich your time at home during the school closure! These activities will come in the format of :

- 1. A Daily drawing prompt, to inspire you to draw something! [pencil, paper]**
- 2. Daily Art activity [camera, pencil, pen, objects around the house]**
- 3. A piece of artwork!**

You can choose to do as many of the art activities as you want!

DAY 1

DAILY DRAWING PROMPT: Draw some animals that are imaginary!

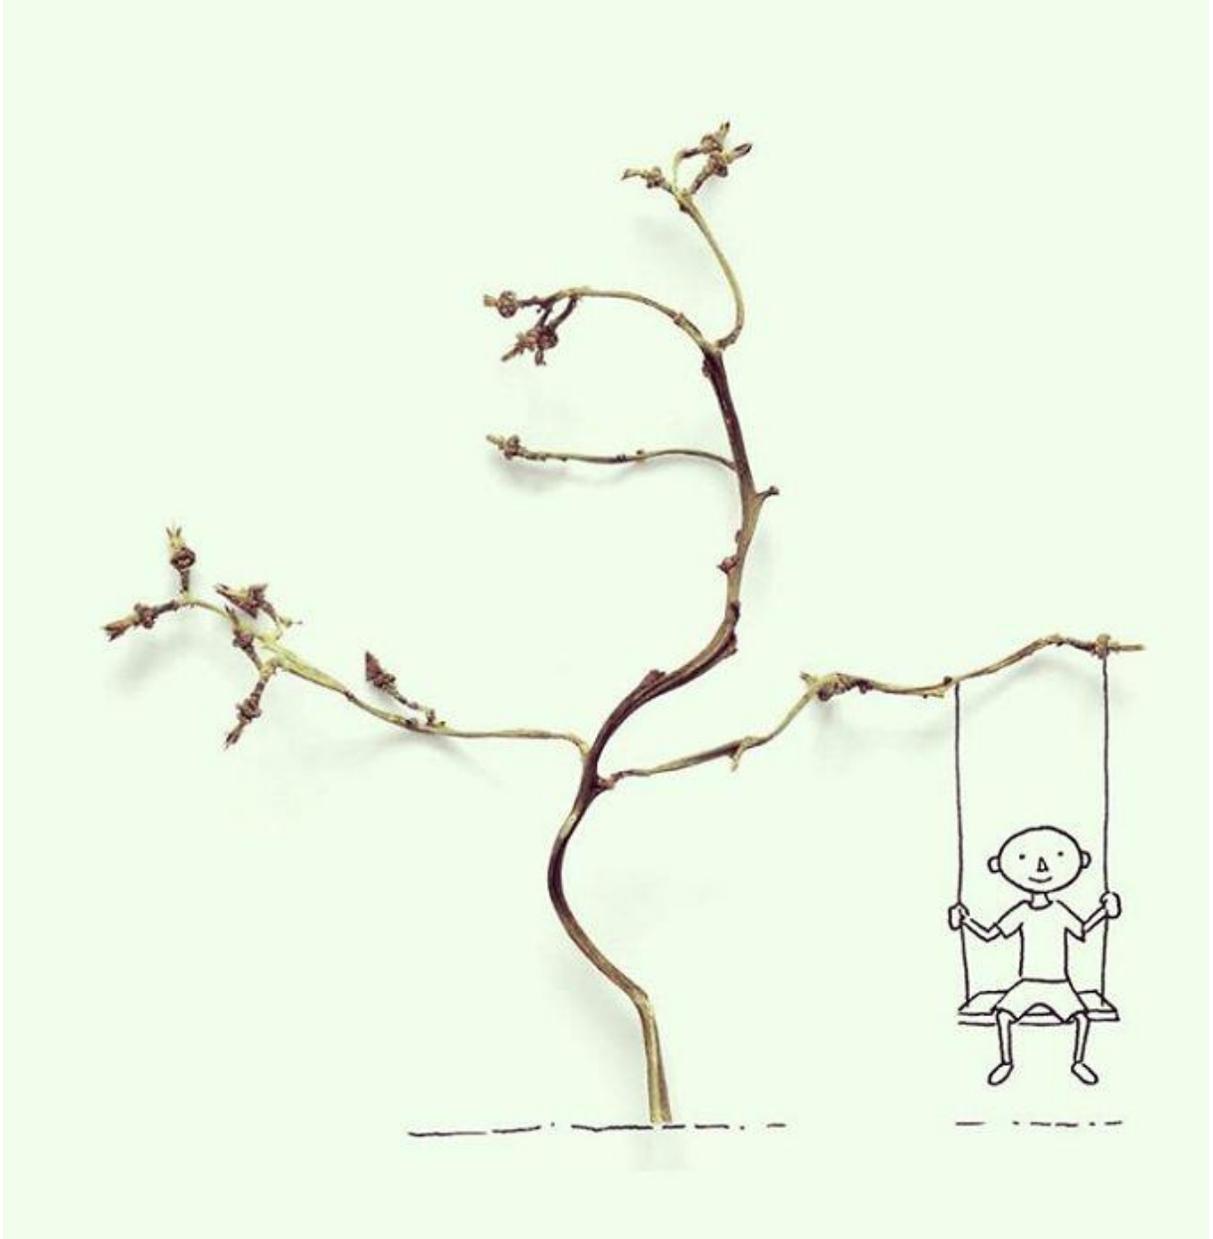

[pencil, paper, and more]

ACTIVITY: Everyday Objects Into Imaginative Illustrations

Portuguese artist Victor Nunes creates amusing and playful drawings using just a black pen and bits of everyday objects – nothing is impossible with a wild imagination. You can find some more examples of his amazing illustrations [here](#)

Can you make your own? Choose an object from around your house. Spend some time looking at, when an idea jumps out, draw it and take a picture!

Here is a great artwork from the artist Javier Pérez Estrella from Ecuador:

Family Feature: My Study Space

We continue to invite students and parents to share with us the study space you created. Send us a picture and a caption to info@isz.co.tz or share it with your homeroom teacher.

Thank you for sharing.

Below are some pictures from Year 1 and Year 2 students working on their IPC projects. I love how creative our kids get!
