Head of School Notes

Dear Student and Parents,

We are entering week 7 of the nationwide school closure. These are indeed challenging times, especially in terms of coping with the absence of friends and teachers, as well as staying motivated to learn at home. It is important to remain optimistic and keep in mind the big picture: this is just a temporary phase and it will end. While we do not know when we can reopen the school, we do know that it will happen eventually. Hang in there, everyone! Let's support each other wherever and however we can. The bonds of our community are strong and our spirit remains high. As a community we will get through this.

This week, Mme Pacque (French) Mrs. Ashura and Mrs. (Swahili) will provide us with some extra activities and inspirations to practice our language skills. Please enjoy!

I wish everyone a great start to a new week and remain,

Yours Sincerely,

Dr. James W. Pilton

Language Week for French

All students and parents be prepared for the 5 days French challenge Mrs Pacqué set up for you this week! Every day you will have a new challenge to face! No need to speak French everybody can play!

Send us your daily picture/video at info@isz.co.tz and the staff will decide who is the big winner of the competition!

Good luck! Bonne chance!

MONDAY / LUNDI /JUMATATU:

Crazy Eiffel Tower / La Tour Eiffel en folie!

Do you know that in France there is a huge tower called Tour Eiffel in Paris? This Tower is really famous and everyone wants to take a picture with this “Iron Lady”. But did you know that the sun causes the tower to grow about 6 inches?

If you are interested to learn stories behind the Eiffel Tower watch this video: <https://www.youtube.com/watch?v=-uXXCKcYT24>

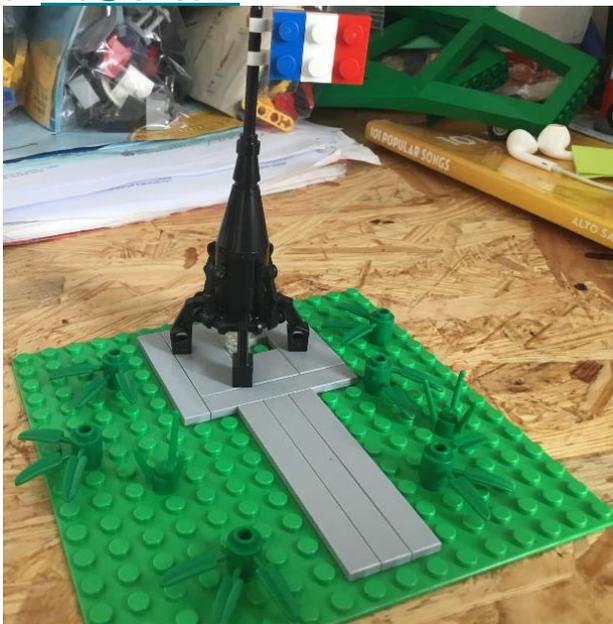

Challenge 1 :

My French students built their own Eiffel Tower with materials they found at home. Look at the pictures of our two winners: Nia and Marius.

Challenge them and build the craziest Eiffel Tower you can imagine with any materials you can find at home (paper, cardboard, fabric, toothpick, marshmallows, spaghettis, lego, flowers, mud ...). Send us your picture

at info@isz.co.tz

Language Week for Swahili

Jumatatu/ Monday:

Search in Britannica for an article on Tanzania or Mt. Kilimanjaro. You can select the difficulty of the article by searching in Foundation, Intermediate or Advance and selecting Level 1, 2, or 3. <username: internationalschoolzanzibar> <password: britannica>

You can read the article in Swahili by clicking on the icon of the globe in the top right corner and selecting Swahili as your language.

Watch this video from the Tanzania Tourism board and try to translate it into Swahili. <https://www.youtube.com/watch?v=gOhmZwk1Ft4>

Can you make a model of Mt. Kilimanjaro from the resources you have in your house? This could be paper, legos, play dough with anything you can find at home.

Family Feature: My Study Space

We continue to invite students and parents to share with us the study space you created. Send us a picture and a caption to info@isz.co.tz or share it with your homeroom teacher.

Thank you for sharing.

Today we are sharing some math week contestants who took on the cooking/baking challenge.

Well done Maisara and Shujaa!
