Head of School Notes

Dear Student and Parents,

As educators, we are inherent optimists, and currently I am reminded of a quote by a fellow educator, Preston Morgan:

"I am enough of a realist to understand that I can't reach every child, but I am more of an optimist to get up every morning and try."

Teachers around the world find themselves physically separated from their students, which makes the task of "reaching a child" even more challenging. But we here at ISZ are rising to this challenge. Together, students, parents and teachers are keeping the flame of learning alive. We will try every little trick to keep students engaged and motivated and provide families

with fun extra-curricular activities.

today, I invite you to try out the French tongue twisters. Or why not dress up in a Swahili costume? Enjoy, and please feel free to send us pictures!

I wish everyone a nice day.

Dr. James W. Pilton
