Head of School Notes

Dear Student and Parents,

On behalf of the Board of Trustees, I would like to thank all of you who participated in the AGM yesterday for a constructive meeting.

Just to reiterate, we are 100% confident that ISZ will open its doors in August with students on campus. The Board and administration are taking all measures to prepare for various scenarios, and our message is loud and clear: **As a community we will get through these**

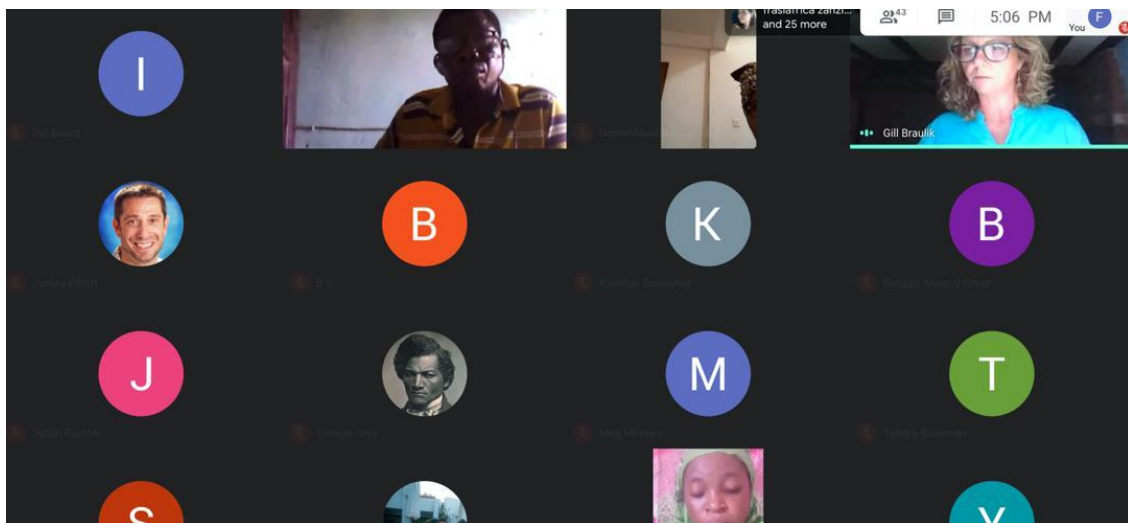

difficult times, and ISZ will continue to provide the best possible educational services in Zanzibar. For next year we have assembled a great staff, and I am more confident than ever that our children will receive a world class education right here in Zanzibar. If you have any questions, please contact me at j.pilton@isz.co.tz The administration of ISZ is committed to working with every family to make sure each child receives the education they deserve.

Personally, I want to again thank Dr. Gill Braulik and Mrs. Friederike Bollmann for having served on the Board. It has been a great pleasure working with you. You and your families will be missed.

At the same time I am very pleased to be working with Mrs. Angelika Dubiel, Mr. Eric Allard and Mr. Julian Easton in the future. Welcome aBoard!

I wish everyone a great day.

Dr. James W. Pilton

Design Task 4 – Engineering Task

My design challenge for you is to see if you can use only one newspaper and one roll of masking tape to support your weight at least 20cm from the floor. If you can get higher even better!!!

Our Scholastic Order Is Finally Here

Please feel free to come pick up your order in the office any time. Enjoy!

Family Feature: My Study Space

We continue to invite students and parents to share with us the study space you created. Send us a picture and a caption to info@isz.co.tz or share it with your homeroom teacher.

Thank you for sharing.
