Term 3 – 2021 Board Newsletter

Dear ISZ community

Welcome to the end of year Board of Trustees Newsletter. The newsletter is intended to provide an update on the Board of Trustees activities over the past couple of months.

2021 has been a very busy year for the Board of Trustees. While still handling the Pandemic, we had to make a lot of decisions throughout the year. We can summarize this academic year of 2020 - 2021 as a great success. We have a new school building currently under construction, hired a new Head of the School, and launched the scholarship and boarding programme.

We would like to thank the entire Staff of the ISZ for being dynamic and flexible during another challenging year in education. We would also like to thank the students and families of the ISZ for accepting the changes which the school has had to adopt during this difficult time. We greatly appreciate your support and patience this past year.

We know it has not been easy for many of you and for this we **thank you**.

Our priority is the students of ISZ as they are the centre of our organization. We as a Board will continuously work tirelessly for the benefit of our students and community.

We are delighted to announce the new members elected at the Annual General Meeting which was held on 19th May. We would like to take this opportunity to introduce and welcome our new Board members.

Finally, at the AGM, the BoT reported on all its activities this year together with the Board goals for the coming year. We would like to share the AGM presentation with you as our last report for this year.
